Toyota in Bangladesh Announces New Business Structure
– Authorized Workshops to Continue Uninterrupted Aftersales Services –

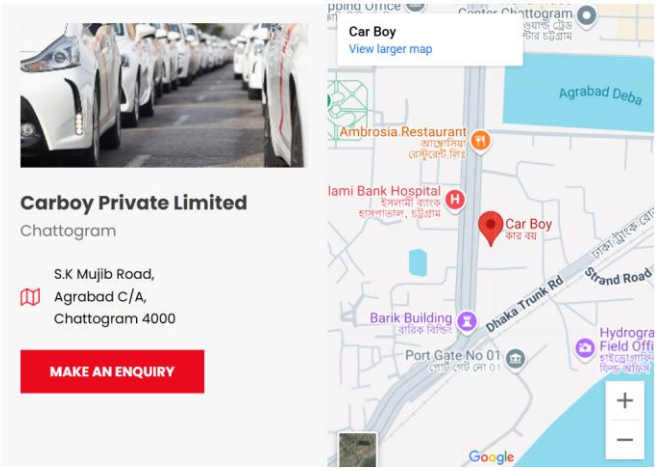

Dhaka, Bangladesh – July 1, 2025 – Toyota Tsusho Corporation would like to announce that, as part of our ongoing strategy to optimize operations, effective as of July 1, 2025, we implemented new business arrangements to better serve the customers.

As we move forward, our focus is on aligning our operations to better meet the evolving needs of our customers and society at large in the dynamic automotive market. We would like to assure all Toyota customers that their needs will remain our top priority during this transition. We remain committed to providing exceptional care and support to each of our customers, and to ensuring that the quality and service they expect from the Toyota brand will not only be maintained but enhanced.

During the transition period, for aftersales services, repairs, and warranty claims, our customers can continue to rely on the skilled professionals at the **Continental Works Limited** (Address: 322, Saudi Masjid Road, Jagonnathpur (Apollo Hospital Exit Road), Bhatara, Baridhara, Dhaka 1229, Bangladesh) or **Carboy Private Limited** (Address: S.K Mujib Road, Agrabad C/A, Chattogram, Bangladesh) from 1 July 2025 until further notice. We have taken steps to ensure that all aftersales needs are addressed promptly and efficiently, providing a seamless experience for our valued customers. For further questions, please visit Toyota's website at **http://www.toyotacare-bd.com** or contact our call center at **+880 9666 708000**.

Toyota Authorised Workshop

We apologize for any inconvenience that this transition may cause to our stakeholders and request your understanding and patience as we continue to share updates on Toyota's future presence, organization, and offerings in Bangladesh.

We appreciate your continued trust in Toyota's products and services and look forward to providing you with excellence in the future.
